What's your Choice about Protecting your Mattresses and Pillows in your Household?

Hundreds of households have chosen to protect their mattresses and pillows from body fluids with Dawn Collections mattress protectors. What is your choice? We have the ultimate solution for you.

Get yourself some Dawn Collections Mattress protectors today.

Facts about mattresses/ pillows without protectors:

1. They absorb body fluids (urine, sweat etc).
2. The mattresses have to be dried under the sun.
3. Cleaning of body fluids is tedious.
4. If the mattresses do not dry, family members and visitors cannot be comfortably accommodated unless there are spare mattresses.
5. The mattresses can be thrown away even when very new due to the damage there of, hence the home owner can incur huge loses.
6. High expenses on disinfectants.
7. Family members and visitors sleep in fear/ worry of past body fluid, bad odors and stains.

Facts about mattresses/ pillows protected with The Dawns Collections Mattress Protectors:

1. The mattresses will never absorb body fluids (urine, sweat etc).
2. The mattresses are never dried under the sun
3. Cleaning body fluids is just a matter of wiping the Dawns Collections Mattress Protector.
4. No spare mattresses are required and the mattresses will be hygienically clean for guests.
5. No mattresses will be thrown away, the Dawns Collections Mattress Protectors save you from such unnecessary costs.
6. Big saving: The protector is washed just wiping, so disinfectants are not used.
7. Family members and visitors have no fear/ worry of past body fluids.

What's Your Choice on Mosquito Nets in your Household?

You have invested immensely in a fabulous house... Your family members and visitors love the rooms... And for sure, some visitors are coming back... But some of the family members and visitors feel harassed by mosquitoes... Or you have to keep on poking holes on the ceiling so as to hang those ordinary nets, or you don't like the way those ordinary nets distort the appeal and beauty of your rooms. We feel you, we feel you! We really do, and we have the ultimate solution for you. The Dawn Collections Canopy Mosquito Nets are the best solution for you. Hundreds of homes have upgraded their status by simply changing their mosquito nets. And, guests are very happy, VERY HAPPY I tell you! Choose to give your family members and visitors a whole new experience.

Facts about Ordinary Mosquito Nets

1. Mosquitoes sneak inside to bite your guests.
2. They have to be pulled hard to fit the bed.
3. They get torn in the pulling.
4. You have to damage the ceiling as you put it up.
5. They give your beautiful room a bad image.

Facts about The Dawn Collections Canopy Mosquito Nets

1. Excellent fitting with no spaces to keep mosquitoes out.
2. No poking of holes or damage to the ceiling.
3. No need to buy a new bed.
4. They decorate your room.
5. Family members and visitors sleep like kings and queens.
